RE: Poster Presentation of *A Model for 2D Art Generation*

Dear Xiao (Barnett) Yang,

I am writing this letter on behalf of the Canadian Mathematical Society to confirm your participation in the Student Poster Presentations at the 2022 CMS Summer Meeting. We are looking forward to your presentation of *A Model for 2D Art Generation*.

The Student Posters will be displayed in the Bruneau Centre Lower Atrium of Memorial University, next to the CMS Registration desk. They will be on display for the duration of the meeting, but in-person presentations and judging will take place from 2:30-4:30pm on Saturday, June 4, 2022.

We are excited to listen to your presentation and to see your poster. I wish you safe travels to Newfoundland and best of luck with your preparations. Please do not hesitate to contact me if you require any additional information.

Kind regards,

Jessica Horobetz
